OFFICIAL ORGAN OF THE ROYAL AERO CLUB OF THE UNITED KINGDOM

INDEX TO VOLUME LXXIII

January to June 1958

A

A.C. *versus* D.C.: Opinions Challenged, 702
A.I.L.S. automatic landing system being designed by North American, 165
AN-2 (photos.), 189
ACCIDENTS:
Aer Lingus Viscount at Dublin, inspection report, 257
Aeronaves de Mexico L.749 at Guadalajara, 820
Aquila Airways Solent, inquest postponed, 128; inquiry opened, 258
Autogiro at Elmdon Airport, Birmingham, 330
Aviacion y Comercio Heron crashed into sea, 586
Braniff DC-7 at Miami, 468
Brazilian DC-4 at Guanabara Bay, 224
Bristol Britannia at Filton, autopilot may have been cause, 190
B.E.A. Elizabethan at Munich, 221; West German opinion on cause, 288; official inquiry adjourned for further evidence, 648
— Pionair Leopard at Nemours, 721
— Viscount at Manchester, report on findings, 364
— — 802 near Prestwick, 646
— — at Nutts Corner, public inquiry to be held, 190; chairman and assessors appointed, 908
Capital Airlines Viscount at Michigan, 510
Cruzeiro do Sul Convair 440 at Curitiba, 908
Dan-Air Avro York near New Delhi, 785
East Anglian Flying Services, Ltd., Dove force-lands at Dungeness, 128
Indian Airlines Corp. DC-3 near Katmandu, 468
Mike Todd's Lodestar in New Mexico, 468
Misrair Viking at Port Said, 348
Pakistan International Convair at New Delhi, 721
PanAm Stratocruiser, cause suggested, 160
Panagra 1932 aircraft crash wreckage found, 128
R.A.I. Catalina near Tahiti, 289
Sabena DC-7C at Casablanca, 721
Saunders-Roe SR.53 at Boscombe Down, 791
Scottish Airlines' York at Stansted, 29
Scottish Aviation Twin Pioneer in Libya, wing modification, 59
Silver City Bristol Freighter at Winter Hill, Horwich, Lancashire, 296; public inquiry, 823
Skyways Hermes at Stansted, 473
United DC-7 collision with U.S.A.F. F-100F, over Nevada desert, 586
Accumulators of silver-zinc, background story published, 756
Adams, Russell, exhibition of photographs, 882
Addison, A. (photo.), 192
Aden Protectorate, aerial mapping by Royal Engineers, 225
Aer Lingus, commercial division new head (photo.), 435
— —, F.27, technicians at Fokkers, 289
— —, head of commercial division changed, 467
— —, sales manager appointed, 323
— —, second Viscount delivered, 95
— —, Viscount 745 leased from Vickers, 586; at Dublin (photo.), 620
— —, — 808, three more ordered, 782
Aer Linte Teoranta to resume operations, 93
Aerfer Ariete (photo.), 508
Aerial Propaganda, society formed, 220
Aerlinte Eireann, admitted as active member of I.A.T.A., 686
— —, L.1049H flagship (photo.), 751
— —, Seaboard and Western Airlines investment, 751
— —, transatlantic service planned, 223; starting dates, 289; inaugural flight, letters specially stamped, 497; service begun, 618
Aero Contractors, Persian Gulf geological research, 168
— Design and Engineering Corp., Alti-Cruiser version of Commander, details and photo., 270
— — — — —, VTO executive aircraft being developed (photo.), 301
— engine exports for January to April, 880
— gangplank installed in Chicago (photo.), 510
— Research, Ltd., change of name to CIBA (A.R.L.), Ltd., 882
— — —, director appointed, 356
— — —, rotor kite at National Boat Show, 38
Aerocar, progress report (details and photo.), 84
Aerodrome Owners' Association dinner, 323
Aeroflot-Air India, Moscow-New Delhi services to begin, 433; agreement signed (details), 830
—, Belgium flights inaugurated, 817
— B.E.A., London-Moscow services agreement, 28; signing of agreement (photo.), 29; visit of M.T.C.A. officials to Moscow, 224; discussion of technical aspects, 285; problems to be overcome, 320; agreement signed (photo.), 346; inauguration date suggested, 433; aeronautical information on flights, 496
—, letter to the Chief (Leader), 295
—, numbers of aircraft increased, 348
—, traffic gains in 1957, 356
—, traffic increases will result from turboprop introduction, report, 190
—, Tu-104 ban at London Airport in force, 686
— —, chartered to take British tourists to Moscow, 648
— —, proving flight to New Delhi announced, 648
Aerolineas Argentinas, Comet 4 probably ordered, 509; contract signed, 645
— —, DC-6 destroyed after forced landing, 831
— —, subsidy received, 468
Aeromere Company, to build Falcos and Airones, 260
Aeronautical books and pictures, world's largest collection, 445
Aeronaves de Mexico, Britannia New York-Mexico City record flight, 17
— — — — (photo.), 16
— — — — 302, second machine delivered, 28
— — —, L.749 crash at Quadalajara, 820
Aeroplane and Armament Experimental Establishment, Boscombe Down, aircraft contractors' dinner, report, 408
Aeroservices, Ltd., change of address, 226
Aerotecnica AC.14 (photo.), 173
AGARD, aeromedical panel, 12th meeting details, 729
— Combustion and Propulsion Panel third meeting, points from papers, Pt. 1, 700; Pt. 2, 733; Pt. 3, 779
Agusta AZ-8 details, 257
— —, first flight, 820
Air cadets, international exchange to take place in July and August, 615
— Ceylon, Singapore-Ceylon-Amsterdam service to be increased, 908
— Charter, Ltd., Bristol 170 carrying meat supplies (photo.), 831
— — —, London-Calais coach-air services inaugurated, 497
— — —, negotiations with Airwork, 157
— — —, risks involved, 828
— — —, Rover cars to be flown to Rotterdam, 686
— — —, Southend-Ostend, Rotterdam and Calais service starting, 434
— Estimates, 262; Leader, 261; points from debate, 326; debate in full, 361
— France, Caravelle to be delivered in May, 586
— —, London-Paris meal economy discussed, 128
— — — —, services stopped by strike of French air traffic control officers, 497
— —, Tokyo trans-polar route inaugural flight (illus. desc.), 564
— freight future, a study by Professor Brewer, 767
— — —, an analysis of basic requirements, 328
— freighting advantages over sea transport, 584
— India International-Aeroflot agreement on Moscow-New Delhi services, 830
— — —, Djakarta as an intermediate stop, 160
— — —, London-Bombay freight service planned, 258
— — —, Super Constellation proving flight to Moscow announced, 648
— Inter formation and details, 497
— League of the British Empire, G/C. Bader and Mr. W. J. Carron elected members of the Council, 508
— — — — — —, proposals for aircraft industry, 35
— — — — — —, Space Age conference organized, 358; report and photo., 504
— — — — — —, youth conference announced, 231
— Liban aircraft forced down at Damascus, 285
— —, allocation of routes approved, 820
— Minister, with members of R.A.F. Antarctic detachment (photo.), 755
— Ministry, A. Cdre. P. G. Wykeham appointed Director of Operations (Fighter and Theatre Air Forces), 513
— —, Director of Intelligence appointed, 368
— —, R.A.F. aeronautical museum proposed (Leader), 555
— Power in the 1960s: a forecast (illus. article), 843
— Public Relations Association, Sir Lionel Heald to become Chairman, 794
— Registration Board, airworthiness requirements discussed with C.A.B., 619
— — —, Chief Airworthiness Surveyor retires, 60

— — —, Civil Aircraft Inspection Procedure leaflets re-issued, 753
— — —, issue of Notices announced, 258
— — —, *Notices to Licensed Aircraft Engineers and to Owners of Civil Aircraft* announced, 586
— — —, Scottish Aviation Twin Pioneer restrictions repealed, 346
— Research Bureau, Secretary-General resigned, 258
— Survey (illus. review), 205
— —, Aden Protectorate photographed, 225
— Terminals, Ltd., Chairman and managing director resigned and new man appointed, 620
— tours to receive approval from the Air Transport Advisory Council, 831
— traffic control (illus. article), 668
— — — problems (S. and L.), 87
— — on the North Atlantic route, 720
— Trainers Link, Ltd., Duke of Edinburgh's visit (details and photo.), 823
— — — —, flight simulators for P.1 and Scimitar, 229
— — — —, visit of British independent airlines (photo.), 905
— Training Corps, boys to spend Easter with R.A.F., 464
— — —, increased flying and gliding announced, 436
— — —, No. 470 (Falkirk) Sqn. wins *Punch* trophy, 615
— — —, No. 1141 Sqn., Cdt. Sgt. David Hood wins gold medal of Duke of Edinburgh awards, 615
— — — Scottish Gliding School, No. 661 opened, 91
— Transport Advisory Council, B.E.A. London-Zurich service approved, 29
— — — —, circular air tours to receive approval, 831
— — — —, London-Manchester flight recommendations, 820
— — Association, collision warning devices discussed, 127
— — —, effect of "no-show" fine, 289
— — —, president's statement on C.A.B. fare increases, 188
— —, effects of extension of territorial waters, 816
— — equipment, 522
— — in Europe (illus. review), 516
— — in 1957, details of report, 583
— —, National shares figures analysed, 233
— —, planned production, 783
— —, reporting to the public, 907
— —, safety in, 1957 record, 93
— Transportation Committee of the American Institute of Electrical Engineers, annual conference announced, 620
Airborne Service Equipment, Ltd., portable fabric shelter (details and photos.), 31
Aircent Gliding Club, flying resumed (details and photos.), 260
— — —, gliding "C" presented (photo.), 350
Aircraft cleaning preparations, 502
— electrical systems (illus. article), Pt. 1, 116; Pt. 2, 152
— Manufacturing Company, first Board meeting, 285
— — —, to take over name of Airco, 655
— Owners and Pilots Association, Chicago Airport compared with L.A.P., 127
— — — — — of Australia, flying scholarship awarded, 745
— performance calculator developed, 179
— photographs provided by Real Photograph Co., Ltd., 350
— Recognition Society, contest details, 6; report and photos., 134
— *versus* Submarine (illus. article), Pt. 1, 567; Pt. 2, 603
AiResearch Manufacturing Division, new container for liquid oxygen developed, 270
Airfield mowing by gang-mower (photo.), 724
Airline route charges discussed, 434; objections to increases, 467
— scheduled traffic, 552
— staff-shareholding schemes, 584
— timetables, C.A.B. charge, 187
— turbine-maintenance and testing conference at Zurich, 435
Airliner Census, 413
— lightweight seats (S. and L.), 121
—, Origins of the Modern (illus. desc.), Pt. 1, 490; Pt. 2, 579; Pt. 3, 632; Pt. 4, 712
Airliners, financing the British, 685
Airlines of the World (illus. review), 525
— shopping list, 96; 523
—, too many international companies, 817
Airmed, Ltd., design of oxygen masks and associated equipment approved, 724
Airport terminal philosophy, 723
Airship, German non-rigid to be built, 168
Airspace control needed in U.S.A., 753
Airtech, Ltd., "Free-end" coupling desc., 226
Airwork, Ltd., negotiations with Air Charter, Ltd., 157
— —, Viscount Ghana service inaugurated, 59; illus. article, 76
Alaska Airlines, route extension wanted, 95
Albania, U.S.A.F. T-33 forced down, 71
Alitalia, DC-8 equipped with Rolls-Royce Conways reported, 723
—, DC-8s ordered, 345
—, jet transports to be ordered, 60
Allison Division of General Motors, T61, military designation of Model 550 announced, 641
Allward, Maurice (author), 7
Almin, Ltd., appointments, 34
Altec Lansing Corp., U.K. distributor appointed, 438
Alvis, Ltd., Leonides developed version first 50 hours' running, 728
— — — 502/8, C.A.A. type certificate presented (photo.), 508
— —, Salamander crash/fire tender, details and photo., 717
Amateur Photographer, Ciné Buyers' Guide, 594
American Air Line Pilots Association, dispute with Flight Engineers' International Association, 365; further details and developments, 684
— Airlines, Chicago-Mexico City service opened, 60
— —, director of aircraft sales appointed, 289
— —, fully qualified flight engineers to be carried on all jet flights, 586
— —, near collision with military trainer, 831
— —, order for medium jets imminent, 258; purchase arrangements to be completed in 1958, 785
— —, profits decreased, 187
— —, Boeing 707 service introduction date advanced, 586
— —, Electra interior, 95
— Institute of Electrical Engineers, Air Transportation Committee, annual conference announced, 620
And Home by Train (article), 747
Andec, Ltd., appointments, 582
— —, commercial manager appointed, 813
Annis, A.V-M. C. L., appointment, 91
Ansett-A.N.A., Dart Herald discussed with Handley-Page, 908
— —, Electra purchase likely, 751
— —, Viscount order, 60; order confirmed, 753
— —, Viscounts and Electras, probable purchase, 348
Antarctic air supplies ended, 228
— civil airport urged, 323
—, first wheeled landing made, 182
—, helicopter operations (photos.), 105
Anti-skid braking system (details and photos.), 73
Antonov An-10A, details, 558
— An-14 Pchelka (Flea), details, 198
— (photo.), 473
Appleby and Ireland, Ltd., draught and low-pressure gauge announced, 788
Appleton, L. R. E., appointed chief engineer (Heston), 652
— —, O.B.E. award (photo.), 56
Aquila Airways Solent accident, inquest postponed, 128
Arab Airways, negotiations with B.O.A.C. for contract renewal, 221
Archer, G. E. C. (author), 600
Architect and Building News, The, Idlewild Airport featured, 648
Argentine, installation of President, R.A.F. Vulcans and Comet to take part, 588; The Secretary of State for Air leaves in Comet for Argentine, 594
Armstrong Patents Co., Ltd., pamphlets issued, 32
— Siddeley Flying Club (photo. of members), 184
— — Motors, apprentice prizegiving, report and photo., 356
— — —, Ferranti computer used, 788
— — —, new test centre opened, 165
— — —, P.181 and P.182 (illus. desc.), 234
— — —, Sapphires to be licence built in Switzerland for P.16, 326
— — —, Viper to power Fairchild Bull Goose experimental missiles, 625
— — — —, Marcel Dassault Farandole derived, 266
— Whitworth Aircraft, Ltd., death of Mr. Leslie Robertson, 791
— — — —, Percy Pilcher's glider replica (photo.), 330
— — — —, spares provisioning department inaugurated, 816
— — — —, S/L. E. G. Franklin in West German Sea Hawk (photo.), 266
— — — —, AW.650, fuselage in test tank (photo.), 726
— — — — —, New Zealand sales visit, 127
— — — — —, progress (illus. report), 752
— — — — —, sales team tours South America, 785
— — — — —, taking shape (photo.), 190
— — — — —, Meteor TT.20 (details and photo.), 744
— — — — —, Sea Hawks, delivery to West German Navy (photo.), 165
— — — — —, Sea Hawk Mk 100, West German Navy, (3-view g.a. drg.), 483
Army Air Corps (illus. article), 111
— — —, Wings presented by Gen. Sir George Erskine, 349
—, B.P.9s evaluated (details and photo.), 505
— -R.A.F. combined exercise, troops flown to Tripoli, 254; air aspects (illus. desc.), 264
Artificial horizon for gliders and sailplanes announced by Sperry (details and photo.), 908
Aslib conference date announced, 38
Association of British Aero Clubs, annual dinner, date announced, 89; report, 224
— — Service Yacht Clubs, forthcoming fixtures, 786
Auckland Parachute Club, New Zealand parachute records set up, 168
Audio and Video Rentals, Pye closed-circuit television installed at B.E.A. Terminal, 753
Auster Aircraft, Ltd., paratrooper's gear for escaping from trees developed, 501
— — —, redundancy, 38
— — —, solo flight from London to Singapore, 301
— — —, Agricola topdressing demonstration (photo.), 6
— — —, AOP.6, fitted with skis (photo.), 266
— — —, AOP.9 used for spraying Christmas Island with D.D.T., 493
— — —, Workmaster, details, 326; further details and photo., 359; 3-view g.a. drg., 412
Australia, effects of decision to buy British airliners, 466; Leader, 471; further details, 585
Australian air transports, growth of competition, 347
— airlines, aircraft requirements, 358
— Alps, helicopters used to build chair lift, 508
— angle-of-approach indicator designed, 38
— Federal Parliament, Bill introduced to increase carriers' liability, 510
— — —, reasons for refusing permission to buy foreign aircraft, 495; Leader, 471
— Minister for Civil Aviation, United Kingdom visit, 223; photos., 224
— Women Pilots' Association, 1957 activities, 122
Austria, executive aircraft announced, 198
Austrian Air Force, Westland Whirlwinds delivered, 605
— Airlines, admitted as active member of I.A.T.A., 686
— —, details of organization and fleet, 509
— —, London-Vienna Viscount services to start, 468
— —, Tu-104 purchase being negotiated, 348
— —, Viscount 770 at Vienna (photo.), 466
Autair Helicopters (Africa), Ltd., Bell 47G-2 (photo.), 168
Autocar, The, Le Mans Report, 794
— —, Monte Carlo Rally issues, 71
— —, Sports and Racing Cars number, 412
— —, Spring and Touring Number, 330
— — *Road Tests 1958*, publication announced, 626
Autoset (Production), Ltd., friction-reducing device for conveyor systems developed, 813
Aviacion y Comercio, Fokker F.27s ordered, 289
Aviamilano forms competition team, 781
—, Falco to be built by Aeromere, 260
—, Nibbio (photo.), 71; 781
Aviation progress, effects of (illus. article), 7
— Traders (Engineering), Ltd., Accountant to be mothballed, 131
Avica Equipment, Ltd., high-precision barometric bellows, new range, 788
Avions Fairey Tipsy Nipper, details and photo., 198; illus. desc., 367
Avro Aircraft, Ltd., appointment, 154
— — —, James C. Floyd awarded J. A. D. McCurdy Trophy, 794
— — —, president and general manager appointed, 698
— — —, visit by Prince Bernhard of the Netherlands, 729
— — —, CF-100 Mk 5s of Royal Belgian Air Force (photo.), 67
— — —, CF-105 Arrow, first flight (details and photo.), 440; further photos., 473
— — — — —, taxying trials (photo.), 98
— — — — —, tyre bursts on landing, 823
— Ltd., apprentices prizegiving (photo.), 130
— —, early aircraft portions found, 71
— —, muffler units for Vulcan Olympus engines (photo.), 759
— —, new test pilot appointed (photo.), 695
— —, partial-pressure suits (illus. desc.), 225
— —, test-pilot changes, 102
— —, 740 project (photo. of model), 58
— —, Shackleton Mk 3, for South African Air Force (photo.), 324
— —, Vulcan B.1, trails made with Victor and Valiant (photo.), 570
— — —, design and development (illus. desc. and cutaway drg.), 142
— — —, 600 m.p.h. Atlantic crossing, 822
— — —, with guided bomb (photo.), 556
— — —, with Victor and Valiant (photo.), 263
— Aircraft Services, Ltd., appointment of directors, 198
Aylesbury Turned Parts (True Screws), Ltd., Helios range of precision measuring instruments announced, 652

B

B.B.C., Martin-Baker ejection seat development feature programme, 594
B.K.S. Air Transport, Ltd., Newcastle-Bergen route inaugurated (illus. desc.), 818
— Engineering, Ltd., general manager and commercial manager appointed, 648
Bader, G/C. Douglas, elected member of the Council of the Air League of Gt. Britain, 508
Balden, W/C. D. W., appointment (photo.), 123
Balloon race in Bavaria, start (photo.), 727

Bendix Aviation Corp., Field Aircraft Services appointed representatives, 131
— — —, Pacific Division, Decca Navigator, New York Area installation, 158
Bennett, J. W., appointed general manager of Canadian British Aluminium Co., Ltd., 813
Benson, Sir A, Bell 47G-2 flight (photo.), 168
Best-Devereux, H. (author), 85
Beswick, Frank (author), 41
Birlec, Ltd., manager's Canadian tour, 88
Birmingham University Air Squadron annual dinner, 644
— —, two aviation courses, details, 350
Birthday Honours, 822
Bishop Tiger Moth in the air, 718
Blackburn and General Aircraft, Ltd., apprentices prizegiving (and photo.), 192
— — — — —, Board appointment, 3
— — — — —, Ferranti computer used, 788
— — — — —, flights offered as prizes to schoolchildren, 445
— — — — —, foremen's dinner held (photo.), 64
— — — — —, Golden jubilee preparations, 362
— — — — —, high-speed wind tunnel inaugurated (illus. desc.), 446; inspected by Lord Mountbatten (photo.), 476
— — — — —, Minister of Supply visits Brough (photo.), 359
— — — — —, New Year message made, 35
— — — — —, turbojet testing warning by letter, 301
— — — — —, Artouste 510s to be supplied for Canadair CL.44, 67
— — — — —, Beverley in airlift (photo.), 881
— — — — — —, 100-bed hospital flown to Dreux, France (photo.), 505
— — — — —, NA.39, cabling supplied by British Insulated Callender's Cables, Ltd., 813
— — — — — —, first flight, 622
— — — — — —, for R.A.F., Leader, 227
— — — — — —, illus. desc., 627
— — — — — —, on road to R.A.E., Bedford, (photo.), 505
— — — — — —, progress, 35
— — — — — —, taxying trials begun, 591
— — — — — —, test equipment from U.S., 194
— — — — — —, to be powered with Gyron Juniors, 98
— — — — —, Turbomeca engines (illus. desc. cutaway drg.), 405
Blamire, P., at R.Ae.C. dinner (photo.), 140
Board of Trade, DC-4s allowed to be imported free of duty, 468
Boeing Airplane Co., sales for 1957 in excess of one billion dollars, 728
— — —, Bomarc, announcement of advanced Bomarc, 194
— — —, dynasoar project, contract awarded, 882
— — —, 707 at Tacoma (photo.), 188
— — — —, de-icing trials for C.A.A. certification (photo.), 831
— — — —, delivery dates for T.W.A. and American Airlines, 648
— — — —, first flight, details and photo., 27
— — — —, fourth production machine fuselage (photo.), 126
— — — —, 40ft mock-up of cabin at Brussels, 224
— — — —, outward-opening plug-type doors tested (photos.), 619
— — — —, production aircraft (photo.), 465
— — — —, Qantas purchase report, 224
— — — —, with 1912 Curtiss bi-plane (photo.), 231
— — — —, with Tu 104 at Vancouver (photo.), 907
— — — —, with "wheel-mover" (photo.), 347
— — — 707-80, prototype, engine installation details, 160
— — — — —, noise measurement tests (photo.), 646
— — — — —, United Airlines' order, 27
— — —, 707-120s to be purchased by MATS for President and senior officials, 729
— — —, 707-320, three ordered for South African Airways, 289
— — — — —, wing of first aircraft (photo.), 722
— — —, 720, details, 126
— — —, Stratocruisers from B.O.A.C. to be bought back, 510
Bolivia, air survey for oil companies in progress, 641
Bombay, new air terminal in operation, 497

Flexello Castors and Wheels, Ltd., new castor for aircraft applications (photo.), 788
Flight Control Systems (illus. article), 665
Flight, H. F. King appointed Editor, 3
—, photographs available, 153
Flight Engineers' International Association, dispute with American Airline Pilots' Association, 365
— instruments (illus. article), 678
— Refuelling, Ltd., Hunter refuelling adaptor manufactured, 724
— — —, Mr. Charles Greensmith appointed contracts manager (photo.), 813
— — —, Valiant flight-refuelled (illus. desc.), 417
— — —, visit by First Lord of the Admiralty (photo.), 655
— Safety Foundation, award to James Martin, 165
Florida to Great Lakes, third airline operator suggested, 222; further details, 258
Flying Aids (special issue), 659
Fokker Aircraft Co., F.27 Friendship, first flight (photos.), 465
— — — — —, further orders from Trans-Australia Airlines, 510
— — — — —, K.L.M. order may not be taken up, 723
— — — — —, leaves for demonstration tour of South America, 686; may be flown to Australia for anniversary of Australia-New Zealand flight, 908
— — — — —, ordered by Aviacion y Comercio, 289
— — — — —, President Nehru flies in (photo.), 126
— — — — — production (photo.), 60; first production aircraft (photo.), 433
— — — — —, Saab licensed manufacture discussed, 323; 648
— — — — —, Saudi Arabian Airlines may purchase 14, 224
— — — — —, Trans-Australia Airways order increased, 620
— — — — — with pylon fuel tanks (photo.), 720
— — —, Hunter production, 75
Folland Aircraft, Ltd., annual dance held, 32
— — —, Gnat considered as successor to Venom, 654
— — — —, first Indian machine despatched (photo. of loading into Packet), 99; more details, 131
— — — —, tropical evaluation trials by R.A.F. at Aden, 814
— — — —, two ordered by Yugoslav Government, 794
— — — — with bombs and drop tanks, and with radar-ranging equipment and radio compass (photos.), 657
— — — — Trainer (3-view drg.), 409
— — — — — ordered for R.A.F., 409
Forbes, D. L., F.C.A., J.P., appointment, 438
—, Sir Archibald, appointed director of English Electric Co., Ltd. (photo.), 758
Formosa, airfield built for Chinese Nationalist Air Force, 301
Foster, S. W. G., consultancy practice, 123
Fouga 170 Magister Marine, deck-landing trials, 349
Fox, Major and Mrs. "Freddy," tour of Africa in Rapide, 493
Fox Wright, H., appointment (photo.), 153
Frankocopter, details and photo., 198
Fraser, A.V-M. H. P., attends final parade of Lancashire F.C.U.s, 92
Fred Olsen Airtransport, Curtiss Commando C-46R demonstrated (photo.), 288
Freight consignment rebates proposed, 365
French aircraft carrier launched, 6
— aircraft, first flight-refuelling, 197
— glider pilots to be allowed to fly to Switzerland, 643
— gliding activities during 1957, 30
— —, St. Auban soaring conditions good, 122
— Government-U.S. Government, polar air route discussions, deadlock, 28
— internal airline formed, 497
— meteorological research at St. Auban, 140
— missile development to be studied, 362
Friction-reducing device for conveyor systems developed by Autoset (Production), Ltd., 813
Friedrichshafen Metal Works, airship to be built, 168
Friggens, W. G., new appointment (photo.), 68
Fuel-gauge calibration by Waymouth Gauges and Instruments, Ltd (photo.), 652
Fuel transported in balloon tyres (photo.), 594
Fulmer Research Institute, Board changes, 154
Furse, Rear Admiral J. P. W., new appointment, 63

G

Garrod, A.C.M. Sir Guy, Air League declaration made, 35
Garton, G/C. C. E. A., appointed Senior Air Force Officer, Northern Ireland, 500
Gas turbine equipment (illus. desc.), 886
Gatard, Statoplan Poussin (details and photo.), 85
Gate Electronics, Ltd., cable-testing set, 88
Gatwick Airport (illus. desc.), 770
— —, B.E.A. helicopter approach lighting (illus. desc.), 477
— —, cable installed by Crompton Parkinson, 756
— —, H.M. Queen to open, 102; report and photos., 790; airline pilots presented (photo.), 817
— —, inside new terminal on opening day (photo.), 830
— — nearing completion (illus. desc.), 442
— —, road design discussed in H.o.C., 190
— — runway and taxi tracks complete, 648
Gavin, Lt-Gen. J. M., resignation, 68
Gavin-Robinson, C. (author), 747
General Dynamics Corp., sales for 1957 more than one billion dollars, 728
General Electric Co., Inc., Flight Propulsion Lab., aircraft performance calculator (details and photo.), 179
— — — —, T58, de Havilland manufacturing rights granted, 165
— — — — illus. desc., 79
— — — —, Turbofans (illus. article), 766
— — — Ltd., motor-driven centrifugal compressor to be built for new Canadian wind tunnel, 626
— — — —, runway lighting at Southend Airport (photo.), 906
— — — —, S.A.S. order for air-circulation catering ovens, 785
— — — —, vapour-proof fluorescent lighting fittings for married quarters contract, 756
General Precision Laboratory, contract awarded for semi-automatic traffic control data-processing system, 435
Genoa, helicopter service to Turin and Milan starting, 289
George Medal awarded to Acting F/S. J. R. Lees for mountain rescue, 644
Geraghty, A. J., appointment, 192
Ghana, Viscount flight to, inauguration, 59; illus. article, 76
Gibb, W. F. (author), 452
Gibbs-Smith, C. H. (author), 699
Gibraltar Airways, Tangiers service operated, 831
Glamorgan Flying Club, National Rally of Popular Flying Association organized, 643
Glasgow University Air Squadron wins Scone Trophy, 689
Glider design developments discussed in lecture, 184
—, non-stop round-the-world attempt, 219
Gliding, British long-distance record set up, 745
— Courses, 1958 dates announced, 260
—, Diamond goal flight made by Mr. Lorne Welch, 616
—, discussed in H.o.C., 89
—, first Gold C height achieved by British woman, 781
—, flight achievements, 511; 587; 643; 781
— in France during 1957, activities, 30
— in Poland (illus. article), 809
— proficiency, Gold C awards, 166
Gloster Aircraft Co., Ltd., first Meteor saved from destruction (photo.), 349
— — — —, Gamecock (painting), 703
— — — —, Javelin 7 to have Firestreak, 326
— — — — — and 8 to have reheat, 326
— — — — — FAW.7 (photo.), 225
— — — — —, to have unguided rockets (details and photo.), 360
— — — — — FAW.8, first flight (photos.), 729
Gloucester, Duchess of, to visit R.A.F. Assoc. and W.R.A.F., 191
—, Duke and Duchess of, dinner at Fighter Command announced, 293
—, Duke of, Cup presented (photo.), 501
— — —, promoted to Marshal of the R.A.F., 824
Gluhareff, S. E., death of, 102
Goodrich, B. F., Aviation Products liquid-cooled brake developed, 641
Goodwood, two landing strips being completed, 140
— airfield licence granted, 497
— races, visitors by aircraft (details and photo.), 511
Goodyear Aviation Division, anti-skid braking system (details and photos.), 73
— — —, manager for Western Europe sales appointed, 514
— Pumps, Ltd., new pump, 154
Goodyear Tyre and Rubber Co., Ltd., anti-skid control components (photos.), 64
— — — — — —, change of directors, 756
— — — — — —, "fuel train" (photo.), 594
Goole Grammar School, flights by Blackburn & General Aircraft offered as prizes, 445

Gosport Airfield, memorial to be unveiled at its closure, 719
Gough, Col. C. F. H., appointed Chairman of Royal Aero Club, 758
Graf Zeppelin, model made from matches (photo.), 642
Grandy, A. Cdre. J., new appointment, 25
Granville, Keith, appointment, 95
— —, C.B.E. award (photo.), 56
Graviner Manufacturing Co., director appointed, 438
Great Lakes to Florida, third airline operator suggested, 22; further details, 258
Griffith Airliner explained, Pt.1, 576; Pt.2, 595
Grumman Aircraft Corp., A2F details, 331
— — —, Ag-Cat agricultural biplane (photo.), 591
— — —, F11F-1 Tigers, mirror-image by U.S. Navy Blue Angels (photo.), 556
— — —, Gulfstream, orders and price, 29
Guided missiles, control systems (Leader), 97
Guild of Air Pilots and Air Navigators, annual banquet, report and awards (photo.), 782
— — — — — — —, appointments, 365
— — — — — — —, awards, 306
— — — — — — —, fees for instructor's certificates announced, 785
— — — — — — —, Johnston Memorial Trophy awarded for Antarctic flight, 698; award presented (photo.), 786
— — — — — — —, Master Air Pilot Certificates awarded, 723
— — Air Traffic Control Officers, A.G.M. appointments, 224
— — — — — —, convention announced, 753
Gun for metal-spraying announced by the Metallizing Equipment Co., 788

H

H.K.1 (details and photo.), 85
H.M.S. *Ark Royal*, flight deck with American aircraft on board (photo.), 441
— *Bulwark*, below decks (photo.), 368
— —, Capt. P. Grick during Anglo-Canadian Exercise "Maple Royal" (photo.), 436
— *Chichester* radar frigate accepted into R.N. service, 754
— *Eagle*, French Naval aircraft deck-landing trials, 349
— *Sultan*, memorial to be unveiled at its closure, 719
— *Victorious*, catapult trials (details and photo.), 440
— —, dinner to firms who had made presentations to wardroom mess (photo.), 719
— —, radar equipment described, 689
— —, recommissioned, 25; modernization completed (details and photos.), 36; (more photos.), 92; to begin trials ,124
Hadfields, Ltd., death of director, 724
Hagan, Paul, flying hours (S. and L.), 121
Hall, Dr. A. C., appointment, 134
—, Dr. Mervyn, Memorial Flying Scholarship-winner announced, 745
Hampshire Aeroplane Club, escorted flight to International Rally at Jersey, 437
Handley Page, Ltd., address to shareholders of future of the industry, 881
— — —, appointments (photos.), 622
— — —, apprentices prize-giving (details and photo.), 31
— — —, change of directors, 694
— — —, experimental test pilot appointed, 412
— — —, Imperial Defence College members visit Radlett works, 470
— — —, Dart Herald (illus. desc. and cutaway drg.), 608
— — — — —, airlines' interest, 908
— — — — —, awarded provisional C. of A., 686
— — — — —, roll-out announced, 289; photo, 296, 320; first flight (photo.), 363
— — —, Victor B.1 on delivery flight (photo.), 732

"FLIGHT" PHOTOGRAPHS AND REPRINTS

MANY articles and news reports in *Flight* are illustrated with photographs taken by the journal's own photographic staff. Prints of such pictures (usually denoted on publication by the words "*Flight* photograph") can be obtained in various sizes and styles —glossy, matt, sepia, hand-tinted—on application to *Flight* Photographic Department, Dorset House, Stamford Street, London, S.E.1. Prices are available on application. This journal also maintains a photographic library extending from the year 1909, and prints of pictures which are our own copyright can be supplied on application to the above address.

Reprints of certain articles—chiefly those dealing with new equipment and processes—are available to firms or others concerned. Application should be made immediately the feature appears or, preferably, a reservation may be made in advance. Enquiries should be forwarded to the Reprints Department, Iliffe and Sons, Ltd., Dorset House, Stamford St., London, S.E.1.
